

APRIL NEWS: Impact Investments in Yourself

A Note From Our Founder:

CEOs and nonprofit executives put themselves at the bottom of the list on the daily. But is that okay? Are you taking self-sacrifice too far as a leader?

Is there an unspoken, dysfunctional, systemic pattern in place that keeps us from making important investments in ourselves as leaders? Read [our latest article](#) and tell us what you think.

WHY OUTSOURCE YOUR ACCOUNTING?

You're A Changemaker, Not a Change Counter!

It can be a struggle to balance your management focus between your mission and your institution. Institutional maintenance (bookkeeping, payroll, budgeting, financial reporting) is critical to sustainability, as we all know. But if these tasks cause #overwhelm, your organization might be a good fit for outsourcing some of them. How do you know if your organization is ready? [Read the full article here!](#)
