A Note From Our Founder:

(Yes, we drank all the coffee!) We are now a [team of 6](#) and I'm so proud and happy to serve clients alongside these amazing women. I'm completely in awe of their commitment, knowledge, and capacity to care for [our clients](#) with kindness and professionalism. If you're a client and would like

to give one of our bookkeepers a shout out, reply to this email and I will forward your kind words.

So, what's ahead for next year?
